

We love to laugh, to celebrate!  
Give us an occasion and we'll make a meal of it!

That's why *NJ Jewish News* is bringing you

# Savor!

the newest magazine in our family of fine publications. Filled with ads for local restaurants and caterers, featured dishes and profiles of area chefs, it's a "keeper" for our readers.

It's a terrific vehicle to remind old customers to come back again and to invite new customers to know just how good your cuisine and service really are.

For the premiere issue, there's no color charge!
